ASEPT.1X ANNOUNCED AS TOP INNOVATION OF THE YEAR

Class 1 is thrilled to be awarded one of the Top Innovations of the Year for 2016 by the preeminent source for unbiased and scientific infection prevention evaluation, infectioncontrol.tips.

ASEPT.1X, produced by Sanuvox Technologies Inc. in Montreal, is the first completely automatic room disinfection system. The ASEPT.1X operates immediately after the room has been cleared and door gone through the logical cycle of opening and closing, flashing a purple UVC light for 5 minutes to kill any and all bacteria in sight.
