

Class 1 Inc. has Acquired the Business of MedCore Services Inc. ("MedCore")

As part of our continuous efforts to increase our aftermarket and customer support to the healthcare facilities in Ontario, we are pleased to announce that Class 1 Incorporated ("Class 1") has acquired the business of MedCore Services Inc ("MedCore") and will be integrating MedCore into the operations of Class 1 effective January 16th, 2023.

The current MedCore service team that has been supporting you over the years will continue alongside all the resources from the Class 1 organization. Headquartered in Cambridge, Ontario, Class 1 is a leading medical systems and solutions provider, which has been designing, manufacturing, distributing, installing, and providing aftermarket services for all piped medical gas systems for over 25 years.

Should you have any questions, please contact us at 1-800-242-9723 or any of the support staff on the attached contact list.
